

STEELMAN

Instrukcja montażu

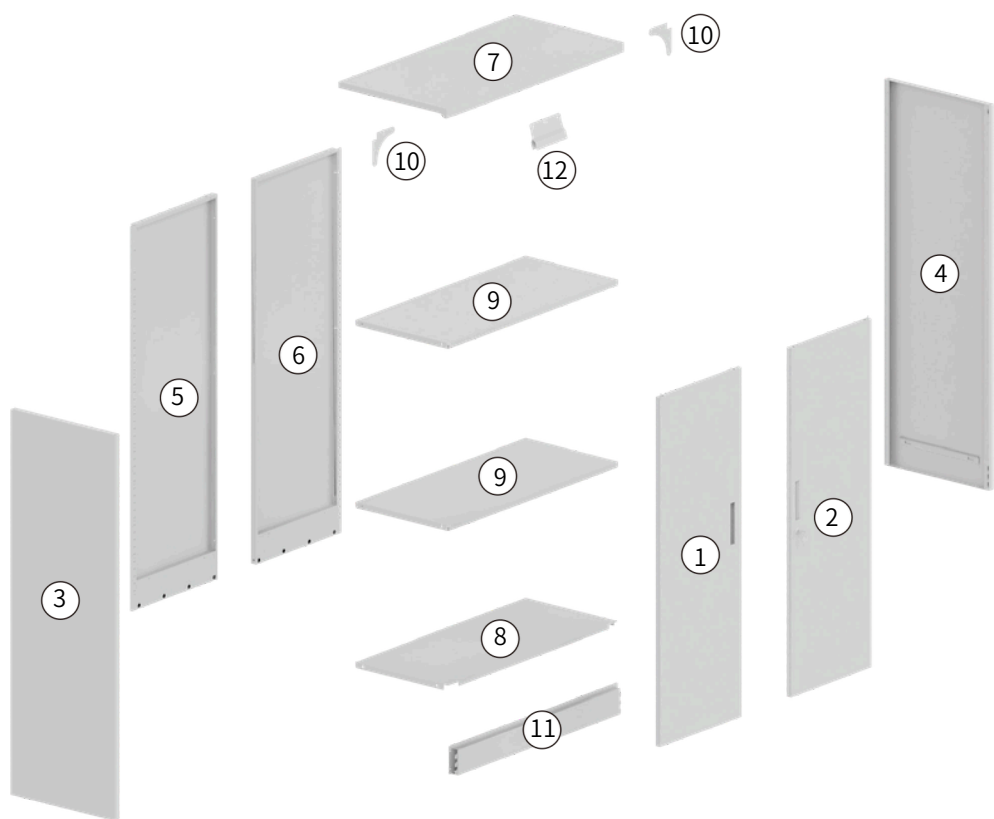

Metalowa szafka
model E46

Cieszymy się, że wybrali Państwo naszą szafkę. Instrukcja poprowadzi krok po kroku przez prosty proces montażu

- Czas montażu 60-90 min.
- Sprawdź czy wszystkie potrzebne części są w zestawie. W razie braków lub problemów skontaktuj się z nami.
- Potrzebne narzędzia do montażu: śrubokręt lub wkrętarka.
- Zalecamy skręcanie elementów na miękkim podłożu, aby nie zarysować szafki!
